Rochelle runs our Koha
Coffee and community cafe

Vision: Every child has a village

Values:

We welcome everyone: We know everyone has something to contribute

We expect great things: We demand the best from and for ourselves, our children, families and community

We share and receive: We share and receive the abundance that exists within our community

We are courageous: We bring grit and determination to the challenges, however tough

Community-led collaboration

How we work:

- Creating space for connection
- Growing richer through sharing
- Co-designing inclusive systems
- Restoring community capacity
- We are sustainable and effective

We have 11 local Urban Kai Farms

7000kg of produce has
been harvested in the last
6 months

Our new off-grid container
kitchen opened in October
2018

We have produced over
4,000 meals in 6 months,
over half have been gifted

Meals are sold for \$6 in our
café, via our website and as
catering

And the
tenants of
Housing NZ

We work with
the men at
Rimutaka
Prison
